

NewPage Corporation Wisconsin Rapids Operation has recently installed a **MarquipWardUnited SheetPro**

The Wisconsin based pulp mill and converting facility, NewPage Corporation, has successfully installed a MarquipWardUnited SheetPro™ Sheeter

Throughout this project New Page and MarquipWardUnited have worked closely together to achieve a goal of outstanding results from the new MarquipWardUnited SheetPro™ Sheeter.

New Page has a long history of producing fine papers at the Wisconsin Rapids facility. By acquiring the new MarquipWardUnited SheetPro™ Sheeter, this will take them to the next production level.
